

Roll up your garage door.....

**National
Families Week**

**15th-21st May
2015**

australiatalksfamily

supports this event as one means to encourage safe ways
for our 'villages' to help protect and raise our children

Imagine ...

10,000 households across Australia connecting with neighbours in streets, parks and communities through the simple act of hosting a barbie or street party. Let's flood our communities with the presence of Christians connecting with their neighbours.

So roll up your garage doors. Spill out onto your driveway. Invite households in the street to enjoy spending time together. Host a BBQ in your street or park. Support:

National Families Week

Visit their website for more ideas,
helpful resources and to register your event.
